

2021-2023 Achievements & Successes

PC: Kai Hayashi

OUR VISION: Outdoor School is a place where every child can belong.

A NOTE OF THANKS

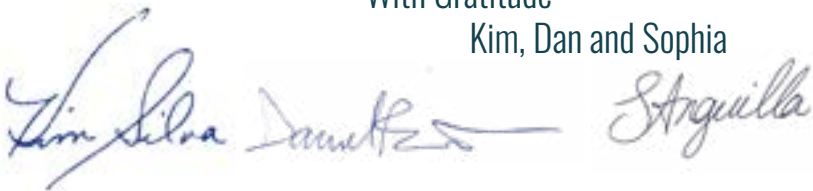

Celebrating Outdoor School

With your help, everything that we do is about making Outdoor School the best it can be for Oregon kids. Now that we have secured full funding for multiple legislative budget cycles and that funding is increasingly stable, we are working with the Outdoor School community to evolve and grow.

We've worked hard to create and nurture a collaborative environment to focus on building the capacity of the Outdoor School system. Together, we strive to provide students with an outstanding experience, examine opportunities for equitable access and inclusive learning, facilitate networks to support Outdoor School programs and sites, and evaluate existing programs and the larger system so that we can work together to improve Outdoor School for students. Bottom line, it is all about the students and their experience at Outdoor School. Thank you for helping us achieve these successes in 2021-2023!

With Gratitude
